**BUDGET FOR STREAMING
EQUIPMENT**

Washington Streaming Foundation has put together a Streaming Budget and Equipment Budget as a guideline for you. This Budget & Equipment Guideline serves only as a guideline for you to decide on a budget for your streaming services. We have listed some options on equipment and software for streaming. You also have an option to have us stream your services. You have the option to download our Streaming Agreement from our website (PDF File).

STREAMING SOFTWARE (LIVE PRODUCTION SOFTWARE) COST RANGE FROM **\$399 TO \$1200**

VMIX BASIC VERSION	4 INPUTS	MAX REVOLUTION 768X576
VMIX BASIC HD VERSION	4 NDI/INPUTS	MAX REVOLUTION 1920X1080
VMIX HD VERSION	1000 NDI/INPUTS	MAX REVOLUTION 1920X1080
VMIX 4K VERSION	1000 NDI/INPUTS	MAX REVOLUTION 4096X2160
VMIX PRO VERSION	1000 NDI/INPUTS	MAX REVOLUTION 4096X2160

When you install Vmix Live Production Software to your digital device (computer or laptop) you will be taken to Vmix Interface.

At the top of menu:

1. Presets
2. New – Create a new blank preset with a video format, use the drop-down menu.
3. Open with a drop-down menu – to open your presets.
4. Save – Save with same preset name. Sic
5. Save As – Save with a different preset name.
6. Last – Open last preset
7. Pause Inputs – Pause all inputs.
8. Basic
9. Settings – List of settings to use as follows:
